

**The Village at Nags Head Property Owners Association  
Architectural Control Committee**

The following colors are on the Architectural Control Committee's current color board.

**ALL painting requests must be submitted to the committee with a completed and signed paint application for approval even if the colors are on the color board.**

Colors not listed below will be considered by the committee if they are in the same color range as the colors on the chart. Some neighborhoods in The Village at Nags Head have their own associations and architectural control boards. Paint requests for these areas must be submitted to and approved by the neighborhood association as well as the master association. The trim may be white, natural, or a shade of the body color. Only two colors per home will be allowed including one body color and one trim color.

**All paint names and numbers are Pittsburgh® brand**
